RANGER '61

PERRYTON HIGH SCHOOL

PERRYTON, TEXAS

FOREWORD

"The past is only the present made invisible and mute; and because it is invisible and mute its memoried glances and its murmurs are infinitely precious. We are tomorrow's past."

John Milton

In your 1961 Ranger we have attempted to flash back for you "memoried glances" of Perryton High School's past as well as the present. The bridge from the past through the present to the future is so short that very soon your pictures and our annual will be a part of that "infinitely precious" past. We present to you now the fruits of our labor with a sincere hope that this book will serve you in the years to come as a clear pictorial diary of your 1960-61 year at Perryton High School.

DEDICATION

Our dedication is to a man whose strength of character and high standards of conduct have won him the respect and admiration of all who know him. He alone has done much to lift the standards of our school, thus making it something of which we can each be proud. He has not, however, neglected to instill in us our own responsibility of keeping it a thing of pride. No matter where you see him, at a ball game, a school function, in the halls, or in his own office, he forever sets an example of dignity, fairness, discipline, and friendliness. It is for these reasons and because you, sir, stand for all that is upright and constructive, we dedicate this edition of the Ranger to you, our principal, Mr. George Zoller.

Because of a wonderful student body and a fine staff of teachers this has been a most pleasant year for me. It is my desire that each of you has benefited greatly from this, the first year in our new building. The student body of 1960-61 can be justly proud of its accomplishments and splendid traditions.

If in later years there is anything that I can do to help you, please let me know. I sincerely wish for each of you true success and the greatest happiness during the years to come.

The Senior class salutes and thanks you for the patience you showed us when we were uncooperative, the encouragement you gave us when we were discouraged and the never ceasing work you put in to make our Senior year a success. Because of each of you, Mrs. Love, Mrs. Champion, Miss Valiant, Mr. Potter, Mr. Fitzugh, and Mr. Butefish, this year was the best of all twelve.

Doing research for a theme, boys?

"Presenting the Ranger band led by uh . . . led by uh . . . uh"

"It looks a little wilted, but we can sell it to a freshman."

"Don't leave now lady, I have 29 of your 30 hot dogs."

"I'm doing this for the cause (the senior cause.)"

"Which invitation is the cheapest?"

This year's senior play, "Skin of Our Teeth," was a lot of hard work, but worth every minute of it. Each dollar the play brought in moved us that much closer to Colorado Springs.

"Well, Gladys, where did you get it?"

"When we were living like moles, like (pay attention John) like rats (pay attention, John D!)"

"Laugh now, Jeri, you won't be laughing later."

SENIORS WHO'S WHO

Anyone who has worked with her knows that Claudia Tucker gives her most diligent effort to any task that she undertakes. She is one of the busiest girls in high school, participating in F.T.A., N.H.S., F.H.A., the Spanish Club, band, and choir. Claudia is an excellent student as her fine scholastic average indicates. P.H.S. is the fine school it is today because of the talents and contributions of Claudia and students like her.

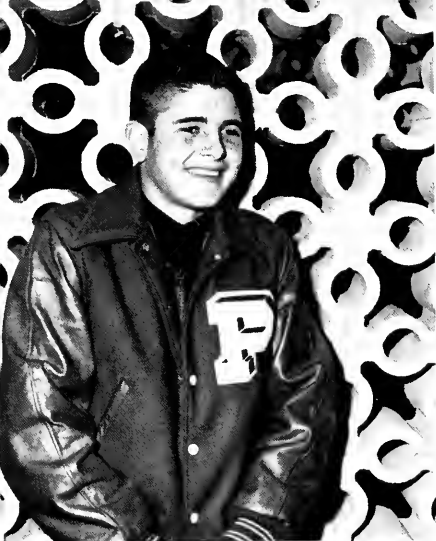

Pat Malone is one of the best-all-around students in PHS. She excels in such activities as band and choir and participates in F.T.A., N.H.S., Student Council, and the Spanish Club. With all her outside activities, Pat manages to maintain an outstanding scholastic average. Next year, PHS will surely miss the smiling face and superior leadership that Pat has exhibited during her four years in high school.

Although this is Carol Voiles' first year in PHS, her influence has already touched those who know and work with her. She was a fine asset to her former school and is now proving to be one in PHS. Carol is active in choir and N.H.S. and also has an excellent scholastic average. Carol's moving to Perryton was certainly a gain for our school.

JUNIOR WHO'S WHO

Johnny Leicht is an outstanding student in every way. He is the vice-president of both the Student Council and junior class. He was also chosen best citizen of his class. Besides being very active in athletics, Johnny has a good scholastic record.

Ann Acker, a junior in Perryton High School, is active in basketball, F.T.A., N.H.S., and band. She has received such honors as the Freshman and Sophomore citizenship award and was selected F.F.A. Sweetheart. She has been elected to Who's Who the past three years. Ann's charming personality helps her to be well liked by everyone.

Because of his happy smile and pleasing disposition, Terry McWhorter is well-liked by everyone. He is active in all sports, N.H.S., and F.T.A. He is also president of the junior class and was elected to Who's Who for the past three years. With all these and his wonderful personality, he is popular with both teachers and students.

SOPHOMORE WHO'S WHO

Joe Champion always has a warm greeting and pleasant smile for everyone. As a sophomore he participates in such sports as football, basketball, and track. Besides his outstanding athletic ability, Joe shows a great talent for music, singing forth with a strong bass voice in the A Cappella choir.

Linda Campbell is a person with a nice thought for everyone. She is an asset to PHS because of her willingness to work. In her freshman year she was chosen class favorite and secretary of her class. This year she sings alto in the A Cappella choir and represents her class in Student Council. Linda has made the honor roll each six weeks of her high school record.

Charles Kelly is one of the most prominent and well-liked students in PHS. He is a member of the "B" squad football team, the Ranger Band, and the Student Council. Charles was also elected Best Citizen of his class, which proves that he is an outstanding person as well as an outstanding student.

EL SOMBRERO

"Meet that deadline!!" is the ever present cry in the journalism room, where a seemingly confused, but actually fairly efficient collection of assorted staff members struggle to beat the bi-weekly bugaboo of all newspapers. Amid the clatter of typewriter, the moans of frustrated copy editors, and the occasional cries of "Quiet!" from Mrs. Love, our newspaper always seems to come out bringing the latest news to all El Sombrero readers.

SCHOOL SPIRIT REIGNS IN P.H.S.

Cheerleaders rally boys for victory with downtown pep rally and good-luck tokens.

Then the whole student body helps school spirit by gathering at the after school pep rally.

Perryton High School reached another highpoint in its football history when the Rangers won District this year. Much of the recognition for winning this honor goes to Coach Joe Ogden and his assistant coaches, but recognition must also be given to the athletes who were on the team. They have shown outstanding courage, sportsmanship, and loyalty during the past season. PHS honors these boys who are willing to give so much of their time and effort to build an organization of which the entire school is proud.
